

Dear Parents,

***Valley Forge Instrumental Music Boosters*** is participating in a fundraiser sponsored by our local Gordon Food Service Marketplace store. The fundraiser is called ***fun funds*** and it allows us to earn money through purchases made at the GFS Marketplace store. It is important to note there is no cost to VFIMB or to the parents who choose to participate.

Attached you will find a brief outline of the fundraiser and an enrollment form. Please fill out the enrollment form and take it to the GFS Marketplace store to receive your FREE personalized *fun funds* card. This card is NOT a charge card, but simply a way to track your purchases and the resulting earnings. There is also a valuable \$10.00 coupon\* to use during your first visit. \*(GFS donates \$10.00 to the organization – not \$10.00 off your order).

Earnings are between 5 - 10% on qualifying *fun funds* purchases and 1% on all other purchases made at any GFS Marketplace store. Earnings are paid on a quarterly basis and will be applied to Student Accounts from June 1 to November 30. Friends, neighbors, and relatives are welcome to enroll in our *fun funds* program as well.\*\* This is a great way to earn money without asking students to take on additional fundraising 'sales' responsibilities.

**\*\* When friends or relatives enroll, please add your student's name in parenthesis next to their name on the enrollment form, so that proper credit can be given.**
